

**CANDIDATE FOR MEMBER OF THE STATE ASSEMBLY  
36<sup>TH</sup> DISTRICT**

**NAME: SHARON RUNNER, Republican**

**OCCUPATION: Member of the California State Assembly**

During my time in the Legislature, I have put the interests of California families first and foremost. Here in the Victor Valley, I worked with state and local leaders to stop dangerous sex offender group homes from opening in our neighborhoods.

For too long the state has viewed the High Desert as a convenient place to send parolees and sex offenders. By bringing people together to speak with one voice we have been able to block many of these attempts.

Further, I've authored numerous bills to protect children from sexual predators. When the legislature failed to pass Jessica's Law, we decided to take it directly to the voters to pass the most comprehensive and stringent sex offender law in the nation. You will get to vote on Prop 83 in this election.

The Legislature must reduce taxes on our hard-working families and help businesses improve our economy.

I have led the fight to ensure that gas taxes we pay go toward road construction and traffic relief. Our gas taxes must no longer be seized to cover the deficit caused by out of control spending.

Should I have the honor of getting your vote, I will continue to work with state and local leaders in the Antelope and Victor Valleys to build the High Desert Corridor. The High Desert Corridor will ease traffic on both Highways 138 and 15, allowing us to spend more time with our families.

Thank you for your trust and support.
